CLUB NOTES

STEADY IMPROVEMENT MAINTAINED

North End's steady improvement in recent weeks, particularly in relation to the defence, has been maintained with two more deserved wins, by 2-0 against Crystal Palace at Deepdale and 2-0 at Carlisle, these being the first points conceded by the newly promoted Cumbrians in their first six home games in Second Division company.

Our two goals there equalled the total against them in the previous five matches. Including the League Cup win against Plymouth Argyle, North End have gained a hat trick of victories — by 1-0, 2-0 and 2-0 since losing at Huddersfield through a goal scored in the last minute. But for that unfortunate lapse we would be nearer the top.

As it is, North End this morning held fifth place, being above Crystal Palace and Rotherham on goal average, in what looks like becoming a very tight promotion race. Coventry City, our opponents to-day, and reckoned by many to have as good a chance as any are next to the top through winning at Cardiff on Wednesday.

Our points total is 13 from the first 11 games, compared with only eight at a similar stage last season when we were struggling against the handicap of frequent injuries. This season's first five matches produced four points, with a total of 10 goals to 11, and the next six, nine points by nine goals to three.

Much to the relief and pleasure of a large following from Preston our game at Carlisle was a complete and refreshing change from the pattern of the two previous matches, in which the opposition relied almost entirely on negative defensive methods, though without success. Carlisle's uppermost thought was to play to win.

CLUB NOTES—*continued*

This suited North End, who are prepared to match skill with skill given the opportunity, and the outcome was a most enjoyable contest which ebbed and flowed from start to finish with the accent on attacking. An enthusiastic crowd saw a succession of exciting incidents and a thrilling abundance of scoring attempts.

Both goalkeepers made some good saves and a few of the spectacular variety, Alan Kelly producing two of his best in the last few minutes when Carlisle, despite being two goals down, were still fighting back in the hope of saving their home record. The result was a fair reflex of a sporting and well-contested game.

The deciding factors were North End's greater experience and composure and that little bit of extra class displayed in several positions and in the team's general approach to their task. Brian Godfrey snapped a fine opening goal from Dave Wilson's centre, and Alex Dawson scored his 11th this season from George Ross's centre.

After being beaten by the only goal at Sheffield (Wednesday), the Reserves came back to winning form with a 3-1 success against Blackburn Rovers Reserve, and have 10 points to show from 11 matches, two more than last season at this period. It is significant that the "goals for" total is 24 as against 14 on October 3rd last year.

Ashworth on Offer

The directors this week reluctantly decided to accede to the persistent requests of Alex Ashworth for a transfer by making him open to offers, with the provisio that no bid will be accepted unless it is at least as much as the fee paid Northampton on signing him in the close season of 1963.

That, we believe, is fair and reasonable. We do not want to lose Ashworth, who has only just fully regained match fitness after a long lay-off through illness and injuries which restricted his first team appearances last season to only five. During that time he received every consideration, including full wages, and the cost of his operation, and all specialist's fees, etc., were also met by the club.

Ashworth agreed he was well treated, but when asked to mark time was not prepared to be similarly patient until such time as his services in the first team were needed, or he had proved himself too good to be kept out.

THE WORLD CUP — WHAT IT'S ALL ABOUT

Most people could tell you that the F.A. Cup, without doubt the most widely-known of all club soccer trophies, is big enough to hold nine pints of whatever celebration liquid the winners choose to pour into it.

But what of the World Cup, the international championship trophy for which the world's 16 best teams will be competing when the Final Series is played in England in July, 1966 ? How small or large is it ?

The answer is that it could be dropped into the F.A. Cup, and, with the lid placed upon it, it could easily be forgotten. In terms of size, that is, since it is but 12 inches high. Yet it weighs approximately nine pounds. It is of solid gold, and is insured for 30,000 Swiss francs.

A nation which wins the Jules Rimet Cup, as it is known, three times, not necessarily in succession, wins the trophy outright. Of the teams already qualified for next year's Final Series, both Brazil and Uruguay have two victories to their credit. A third, Italy, has also won it on two occasions, but their participation in England next year is something Scotland hope to prevent.

Scotland and Italy have met twice, in Glasgow in November and in Milan in December — and at the moment they both have the same number of points in their qualifying group.

OUR VISITORS—*Coventry City*

We welcome to-day, ambitious Coventry City, who are paying only their fifth visit to Deepdale in a period of ups and downs for both clubs covering over 50 years. Old followers will recall the shock of a home defeat in the F.A. Cup in January, 1910 when the "Peeping Toms" of the Southern League won by 2-1.

Due to Coventry dropping into Division III in our 1924-25 relegation season, and staying there until two years after our 1934 return to the First Division we did not meet again until next relegated in 1949. In that and the subsequent season four matches resulted 1-1 and 1-1 at Deepdale, and 0-0 and 0-1 at Coventry.

Thus our 1-0 home win against promoted Coventry on Boxing Day last season was our first success against "The Bantams," to give the team their other nickname. This setback was quickly avenged, Coventry winning the return match on December 28th by 3-0, so that the goals aggregate in the six League meetings to date is 3-6 in Coventry's favour.

The club came into being as long ago as 1883 — founded by employees of Singers, cycle manufacturers, and known as "Singers F.C." until 1908. That was the year Coventry City entered the Southern League, and they had an honourable career in

that company until 1919 when, rather surprisingly to the stick-in-the-muds of that era, they were elected to the Second Division of the Football League.

Head-shaking was justified by Coventry's poorest-ever League return of only 29 of 84 points, but Lincoln and Grimsby fared worse, Coventry's reprieve kept them in, always struggling and never higher than fifth from the bottom at the season's end. until 1925. They were back in 1936, out again in 1952 and now Coventry's ambitions are higher still : they are after First Division status after finishing 10th in the Second Division last season with 43 points.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

SUPPORTERS' CLUB NOTES

Unfortunately the club were not able to obtain sufficient guarantee from the Carl Denver Trio and their appearance on the 26th of this month has been cancelled. In their place a variety show will be staged comprising six star acts which include Tony Miller, Steve Faye, Tony Francis, The Charmers. Following the enormous success of the last Cabaret Night tickets for this show are going very quickly and already 250 have been sold. Members who have not yet obtained their ticket, priced 2/6 each, are advised to do so as soon as possible.

By popular demand the Cabaret Night on 9th November sees the welcome return of Larry Stone.

A complete sell-out of tickets is reported for the Ladies' Night on Tuesday, and it looks like the ladies are in for a grand time.

Bookings for the following trips can be made immediately following to-day's game and on the usual Friday evening Club Night :—
